## Nevada County Farm Bureau Gun Calendar

Thank you for supporting the Nevada County Farm Bureau. As you may know, NCFB is a non-profit organization that devotes time and resources to advocating for agriculture at the county, state, and national level. We are a membership organization and your dues are utilized to support local agriculture and our Ag Education Outreach Programs.

This is our seventh gun calendar raffle, each calendar purchased has a 1 in 25 chance of winning! We have a total of 12 guns this year, one raffled off every month in 2024. NCFB will sell 300 calendars and the price of each calendar is \$60.00. The firearms are from the best known manufacturers. Funds raised by this project will be used to support youth in agriculture through the Junior Livestock Auction and our Ag Education Fund.

Gun registration will be handled through The Range in Grass Valley. Winners pay registration fees and follow all current Federal and State firearm ownership regulations.

**Firearms must be claimed within 30 days of notification or your prize will be forfeited. No credits or changes on winning firearms.**
